TOILETS**

ZAMBEZI WALL HUNG PAN
WITH SOFT CLOSE SEAT

SAY GOODBYE TO UNHYGIENIC TOILETS

RIMLESS toilets are quick and easy to clean, and to keep clean. Without rims, there is much less grim and germ build-up. Without the rim, and, with the advanced flushing system that washes germs away, rimless toilets provide a MORE HYGIENIC day-to-day experience.

NO RIM - SMOOTH AND
FLUSH ON THE INSIDE
