VOLTA Rimless Wall Hung Pan

# LECICO MANUFACTURING

With three super-factories on the outskirts of Alexandria, in Egypt, **Lecico** employs more than 6 000 people, and has the capacity to produce over 6.2 million pieces of ceramic per annum.

Our range of internationally certified ceramics are sold under both the **Lecico** brand, as well as under other internationally recognised brands.

# LECICO VISION

**As leaders in the African sanitaryware industry, to be a company that serves our customers and treats all our people and partners with loyalty, professionalism, care, and excellence.**

**To be an internationally recognised brand that is acknowledged for our superlative quality standards.**

# LECICO MISSION

**To ensure that our customers become loyal advocates of the brand by always being committed to the highest standards of customer service, integrity, and professionalism.**

**To harness the excellence of our people, and to be supportive of them and their families by offering opportunities for advancement and development.**

# LECICO PHILOSOPHY

Through managing our customers' experience, we ensure that every customer becomes a loyal advocate of the brand.

# LECICO PROJECTS DIVISION

Lecico is the preferred choice for architects, interior designers, contractors, and quantity surveyors.

## LECICO PROJECTS DIVISION

We save you time on specifications by providing super-easy access to valuable information, expert advice, and detailed technical specs in a variety of formats.

All of our products have technical data sheets, CAD, and Revit drawings available for quick and simple download.

Our objective is to ensure easy access to valuable information through our SpecEasy portal and also through our easy-to-navigate website.

Lecico proudly assists project practitioners with product guidance and recommendations based on project type, budget, design requirements, space, and size parameters.
